

Aadi Bioscience to Participate in the Jefferies Healthcare Conference

May 29, 2024

LOS ANGELES, May 29, 2024 /PRNewswire/ -- Aadi Bioscience, Inc. (NASDAQ: AADI), a commercial-stage precision oncology company focused on developing and commercializing therapies for cancers with alterations in the mTOR pathway, announced today participation in the Jefferies Healthcare Conference, taking place June 5-6, 2024, in New York. Dave Lennon, Ph.D., President and CEO, will participate in a fireside chat on Wednesday, June 5, 2024, from 2:00 PM – 2:25 PM EDT.

The fireside chat will be webcast live on the IR pages of the Aadi Bioscience [website](#) and will be available for replay for approximately 30 days following each investor event.

About Aadi Bioscience, Inc.

Aadi is a commercial-stage precision oncology company focused on the development and commercialization of therapies for cancers with alterations in the mTOR pathway, a key regulator of cell growth and cancer progression. To unlock the full potential of mTOR inhibition, Aadi uniquely combines nanoparticle albumin-bound (*nab*) technology with the potent mTOR inhibitor, sirolimus. Aadi received FDA approval and commercializes FYARRO® for the treatment of adult patients with locally advanced unresectable or metastatic malignant perivascular epithelioid cell tumor (PEComa).

Aadi is exploring *nab*-sirolimus in PRECISION1, a Phase 2 tumor-agnostic registration-intended trial in mTOR inhibitor-naïve malignant solid tumors harboring *TSC1* or *TSC2* inactivating alterations. Aadi is also exploring *nab*-sirolimus in two single-indication Phase 2 trials for difficult-to-treat mTOR-driven cancers: neuroendocrine tumors (NETs), and advanced or recurrent endometrioid-type endometrial cancer (EEC) in combination with letrozole. More information on Aadi's development pipeline is available on the Aadi website at www.aadibio.com and connect with us on Twitter and LinkedIn.
